

ADR sack

ERP : 120-002-001

The ADR Agreement (Government Gazette 2915 / 24-8-2017) determines what are the necessary means that the vehicle and the driver must have to deal with emergencies:

- 2 warning, reflective triangles.
- A warning, reflective vest.
- A pair of nitrile protective gloves.
- Mask type eye protection.
- Eye wash liquid (2 500ml bottles)
- A rubber led flashlight according to the provisions of 8.3.4. (batteries included)
- Instructions according to the ADR 2019 Agreement (laminated)
- An ADR sack of 55x30x24cm, with enough free space to add extra equipment if required.
- The sack features handles, as well as a shoulder strap and 2 additional pockets on the sides.
- It doesn't take up much space in the cabin.
- The sack has the words "ADR KIT" printed on it.
